"Your Partners in Farming"®

Irrigated Pasture Field Day

Join Yenda Prods for a walk through the irrigated pasture trial site to see what options may fit your livestock system.

Apart from the trial inspection the afternoon will also include information on:

- Pasture options to maximise your livestock production system on irrigation / **Pasture Genetics**
- New Broadleaf chemical for use in pastures and discussion on tolerance of different species to herbicides / **Nufarm**
- Maximising animal production throughout the season / **Performance Feeds**
- Demonstration of Gallagher fencing and products on-site / **Gallagher Fencing**
- Optimising livestock health on irrigation pastures / **Zoetis**

DATE: Thursday 3 October 2019
TIME: 1pm for lunch with refreshments to follow after.
WHERE: 'Gilgai', Dalton Road, Yenda
DIRECTIONS: Turn Left onto Dalton Road from Widgelli Stock Route, follow to the end and go over the channel Bridge, the gate is straight in front. Meet at the front gate.
RSVP: To your Yenda Prods agronomist by Tuesday 1 October 2019
