"Your Partners in Farming"®

PREPAY REWARDS PROGRAM

ELIGIBILITY

To be eligible for the **Yenda Producers Prepayment Rewards Program** you must lodge funds (inc GST) in a Yenda Producers Prepayment Account.

REWARD

A reward of 5.25 percent per annum will be calculated based on the balance at the end of the month of your prepayment account.

The reward value will be applied to your standard trading account.

Any reward amount must be used to purchase Yenda Producers goods.

The prepayment amount and reward earned must be used within the 12 months from lodgement. If the prepayment amount is not used within the determined time period, the reward amount will be forfeited.

TERMS

Once the prepaid amount has been deposited you cannot withdraw that money under any circumstances.

The reward amount is applied to the trading account each month.

The reward amount is not eligible for any member rebate.

Items purchased using the reward deposit which are applied to your standard trading account are eligible for any member rebate declared annually by the Co-op board.

The reward amount must be used to purchase Yenda Producers products.

Minimum Spend: $10,000

TAX

A tax invoice, listing the forecasted products to be used in your growing program, will be issued to you upon receipt of the prepayment lodged.

Certain conditions apply so we recommend clients should seek their own independent advice.

HOW TO SIGN UP TO THIS PROGRAM

*Contact your local **Yenda Producers** Branch or download an application form via our website **yendaprods.com.au***
